Personalities

Nineteen hundred and sixty . . . What is it?
It is more than just a school year or a passage
of time. It is a step forward in our growth
from being children to being capable of leading
the citizens of tomorrow and shaping the
destiny of the world.

IT'S *Spirit*

The referee's whistle, the start of the clock--Glenwood is off to a fighting start. Basketball helps develop our skill and offers an outlet for energy. It develops a feeling of unity and loyalty among the student body.

Cheers of encouragement echo throughout the gymnasium, expressing the pride of each loyal student.

IT'S *knowledge*

Our library is used each day by students who wish to study--or enjoy reading. Research materials are near and can be used if there is a question about the lesson.

Students enrich their capacity for learning.

Secretarial practice students help the county supervisor assemble the county handbook.

The faculty takes time out from a busy schedule to relax.

Gained

Science stimulates knowledge of the modern world.

through the guidance and leadership of others

Home economics students practice manners while eating prepared food.

Departments supply a well-rounded

Dancing is taught each week to students who desire to become more graceful and enjoy social life.

Our librarian is always ready to help us find materials for research papers, themes, and reading.

Chemistry is enjoyed each day as students conduct experiments in a well equipped laboratory.

IT'S you...

Seniors discuss happenings of a busy day.

Yes, you are Glenwood High. It is each and every one of you as you enjoy activities and attend classes to prepare for the future.

We Dedicate

" 'Tis the human touch in this world that counts." This adage is especially applicable in analyzing the worth of a teacher.

The teacher with a human touch has ears to hear the questions of an inquiring student; he has sympathetic insight into problems great or small; he has patience, never-ending; he has vision to feel the needs of a student and to see his view; and most of all, he can laugh with his students and yet not lose his touch of dignity.

We, the senior class, have strongly felt the "human touch" of two outstanding members of our faculty. In recognition of their warmth of personalities and their many intangible services to us,

and . . .

because so few speak for so many, this nineteen hundred sixty edition of the NUSHKA is dedicated to

Mr. Clyde Day and Mr. Raymond Ledbetter.

PRINCIPAL'S MESSAGE

Another school year is drawing to a close; another class is passing from our midst; another NUSHKA is picturing our lives together during this year.

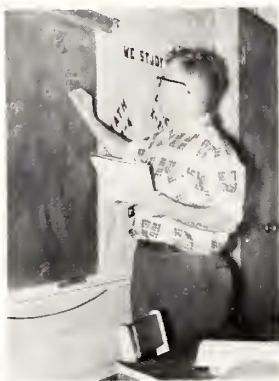

As you turn the pages of this book in years to come and view again old faces and remember this year at Glenwood, it is my wish that these faces and these events will ever be reminders of the final hope of an education--a well-rounded individual whose pattern of daily living is found in that Perfect Example of Manhood: "And Jesus increased in wisdom and stature and in favor with God and man."

Class Poem

Where the winds of McDowell softly blow
Over the grounds of Caroline,
Where the towering oak as sentinels grow
As a guardian at thy shrine,
Where the bravest hearts of students are found
That are loyal through and through,
There stands Dear Glenwood High on hallowed ground,
Home of the strong, brave, and true.

We'll shout afar our tribute loud and strong
That those who love wisdom may hear;
We'll tell the story to the learned throng
Of sons and daughters without fear.
As our Alma Mater our lives enfold,
Our voices will raise in praise;
We'll ever be true to the maroon and gold;
Thee we'll cherish throughout our days.

As the class of '60 leaves these halls,
Shed no tears of sad farewell;
We feel secure that what 'er befalls,
Our Alma Mater has taught us well.
So dear teachers and classmates, one and all,
We bid you all a fond adieu;
Each time that we hear duty call,
We can answer well because of you.

Christmas Parade

The Christmas Parade is an annual event, sponsored by the Merchants' Association of Marion.

Glenwood School has participated in the parade each year since its beginning.

This year there were five entries from Glenwood--Queen Glenwood High, Queen of the Veterans' School, Key Club Sweetheart, Future Farmers Sweetheart, and the Pep Squad.

All of the Glenwood entries well represented the school both in theme and beauty.

Key Club Sweetheart--Ann Lawing

F.F.A. Sweetheart--Jeanette Morgan

Cheerleaders--Maxine Hawkins, Peggy Patrick, Jeannie Ward, Carolynne Jamison, Blonnie Gilliam, and Jane Autrey.

Looking back, we see a year full of achievement and excitement.

We began the year by electing as our officers four capable students. They led the class very effectively. Members of our class were well represented in the Christmas Parade--two queens and two cheerleaders. They also excel in playing on the basketball teams.

In the classroom we delved further into the mysteries of Algebra and French. We were introduced for the first time to Tillie Tapeworm and Freddie Frog.

Now we look forward to another year of accomplishment.

OFFICERS
Left to Right: Diane Lawing, Secretary; Donald Sparks, President; Glenda Cannon, Vice President; Joyce Smith, Accompanist.

DIRECTOR
Miss Hope Bailey

Gaining a new insight into the importance of understanding, appreciating, and performing good music has been one of the main goals of Glenwood's three vocal groups--the High School Glee Club, the Girls' Ensemble, and the Cherubim Choir.

These three groups, under the direction of Miss Hope Bailey, have studied and performed, in two, three, and four part harmonies, musical literature written by noted composers of the world.

Glenwood Elementary School

Glenwood High School, which stands on a campus covering eighty-six acres of land, has, in the past year, improved tremendously. Through generous donations by our P.T.A. the playground has been enlarged and portions of it asphalted. In all, the P.T.A. has donated \$1,500 in the past year and will donate \$1,000 more for playground improvement.

At the present time, Glenwood has the largest enrollment of any other McDowell County school, and with more students enrolling each year, more classrooms and teachers are going to be needed.

We are very proud of such a fine and beautiful school, and we sincerely hope that in years to come Glenwood High School will become even finer and more beautiful.

Juniors and Seniors who have an average of ninety or above are privileged to join the Beta Club. They must be approved by the principal and faculty.

The club stands for character, leadership and achievement. Its motto is "Let us lead by serving others."

Our club is sponsored by Mrs. Opal Faye Woody and has twenty-eight members.

Future Teachers of America is a national organization which trains young people through practice for professional and civic leadership; the main purpose, however, is to encourage worthy students to enter the teaching profession.

In addition to aiding teachers in classroom activities and serving as substitutes when teachers attend professional meetings, the Future Teachers also serve in Pre-school Clinics, plan and participate in activities for American Education Week, welcome and entertain new teachers, and act as hostesses for professional meetings at school.

KEY CLUB SWEETHEART
Miss Ann Lawing

"I pledge on my honor to uphold the objectives of the Key Club International; to build my home, school, and community; to serve my nation and God; and to combat all forces which tend to undermine these institutions."

The Glenwood Key Club members strive to initiate projects which will challenge them to carry out their pledge in every way possible. Since the members are selected on the basis of potential leadership, ability, and scholarship achievements, the Key Club is one of the most active in the school.

Two of the most outstanding projects accomplished this year were the Talent Show and "Operation Santa Claus." The Girls' Ensemble, winner in the school talent show, was first-place winner in the annual Kiwanis Club Talent Show. "Operation Santa Claus", in which the members repaired and distributed toys to underprivileged children at Christmas, was a very successful undertaking.

BUS DRIVERS' SWEETHEART
Miss Jane Taylor

Probably the greatest responsibility undertaken by a student during his school days is the job of getting our students to and from school safely.

This year we have a very capable staff of school bus drivers whose main objective is the safety of every student.

Approximately nine hundred students are transported daily by Glenwood buses and we are very grateful for the excellent service that every driver has contributed.

SCHOOL BUS GARAGE PERSONNEL
Left to Right: Dan Austin, Hugh Price, Raymond Robinson, Chief Mechanic.

Safety Patrol

Glenwood's Safety Patrol is an active club of twenty-eight members selected by Mr. Flack, the club sponsor, Mr. Howell, and the bus drivers.

Each member's duty is to help keep order on the school campus and on the buses going to and from school.

The club's goal is to make Glenwood a safer place and to help people be more conscious of the necessity of safety.

Student Council

The Student Council is composed of homeroom representatives, elected by classes from the eighth through the twelfth grades. The president and vice-president are elected by the student body at large.

The finest contribution that the Student Council makes is in the field of citizenship, for the primary aim of the Council is the teaching, by precept and by example, of good citizenship.

The president of the Council presides at student body meetings and confers with the principal and teachers concerning problems such as assigning lockers, making of awards on Achievement Day, setting up hall patrols, and presenting activities recommended by the Student Council.

Future Farmers Of America

This year there are sixty-nine active members of the chapter. These boys participate in such activities as public speaking, tool identification, parliamentary procedure, livestock judging, and seed identification. Contests are held and banners awarded for excellence in these activities. Our boys have participated in federation, district, and state activities. Since 1957 Glenwood has been the top chapter in the federation.

LIBRARIAN
Mrs. Mary Roberts

This is the first year for the Glenwood Library Science Club. Although it is rather small, it is open to all students who have, or are currently working in the library.

The purpose of the library science club, a service club, is to promote an interest in the library and the techniques of work involved. Because it is a service club, all work is done voluntarily. This club meets once a week to make improvements in the library. Some of the club's activities are making bulletin boards, decorating for holidays, visiting book exhibits, selecting books for the library, mending and processing books.

Spotlight Staff

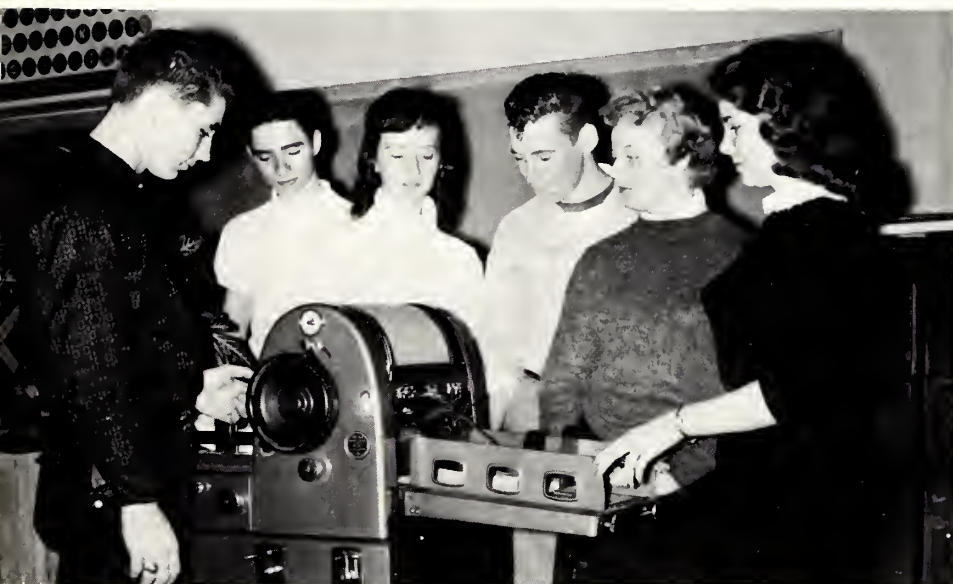

The Spotlight Staff was reorganized this year after several years of inactivity. The paper is dedicated to "the advancement of Glenwood School."

We plan to publish five issues this year. Included in our paper is: News at large and fashion column.

We have a very capable staff, all working together for a bigger and better paper each time.

Nushka Staff

Our annual staff was elected by the faculty from the senior class. These people, although green and inexperienced for the most part, have been willing to work and learn.

Many hours of hard work have been put in, sometimes with only a word of thanks, and sometimes not even that. Deadlines created the greatest pressures as they grew near.

We wish to thank the faculty, student body, and advertisers for helping make the nineteen hundred sixty edition of the NUSHKA possible.

Twelve players were chosen by the coach as outstanding members of the teams. These players are the starting line-up for each team.

The Glenwood teams have made quite an impressive record this season. Competition has not been so keen as they are anticipating in later games. The stiff competition is yet to come as they meet the county teams.

At this point of the season we are extending our best wishes for the teams to come out with great honors!

The aim of the Monogram Club is to promote better sportsmanship and school spirit among the students.

It sponsors many fund raising campaigns throughout the school year. Proceeds from these campaigns are used for buying uniforms, warm-up pants, and necessary supplies. Also, the Monogram Club is responsible for trophies which are awarded at the end of the basketball season to the boy and girl with the highest percentage in foul shooting, the most valuable player, and the students displaying the best sportsmanship.

In order to be a member of the Monogram Club, students must have lettered either in baseball, basketball, or be a member of the cheering squad.

The Pep Squad signifies the unrelenting spirit of our teams, as well as that of the student body. Their never-ending enthusiasm, spirit in defeat, and loyalty to our school have kept our school morale at its height.

When our Pep Squad goes into action, there is no doubt in any student's mind that ". . . she's the best school in the land, we know . . ."
